**Drainage Transition Update:**

The Union has met with EPCOR to do job classification reviews as follows:

1. November 8, 2017 - Millwright II position
2. November 17, 2017 - Welder II position
3. November 22, 2017 - TBM Specialist and TBM Technicians
4. November 23, 2017 - Training, Equipment and Safety Instructors

We have scheduled:

5. November 24, 2017 - Mobile Crane Operators
6. November 27, 2017 - Boom Truck Operators - Morning
7. November 27, 2017 - Sewer Substructure Inspectors - Afternoon
8. December 8, 2017 - O H & S Field Coordinators

EPCOR will then take the information back to make a decision on the rate. More information may be required in which case EPCOR will be in touch with the affected parties to gather that information.

The Union is in talks with EPCOR on a couple of other positions which we believe should be included in these talks with no result yet.

In Solidarity,

The Transition Committee
