The transition bargaining has completed and the positions without matches have been reclassified by EPCOR with significant increases.

The O H & S Field Coordinator was deemed out of scope by EPCOR, which CUPE is challenging through the grievance procedure.

The new rates will be posted on the EPCOR intranet and a letter from EPCOR will be mailed out to each affected employee once all members of the Transition Committee have signed.

If you wish to know the rate immediately, you can call CUPE Local 30 at 780-426-6050.

The affected positions were:

The Transition Committee would like to thank all the members who participated in the reclassification process.

In Solidarity,

The Transition Committee
