Dear Brothers and Sisters,

**Subject: EPCOR Update**

---

We are waiting for EPCOR to send us over a draft of the Collective Bargaining Agreement to review, it seems to be a bit behind schedule as it was going to be sent over on Monday, September 17<sup>th</sup>, 2018.

I understand the wage tables have been placed on the EPCOR website, but have had calls that some information is missing, this has been relayed to EPCOR with no response yet. The EPCOR internal website is not shared with CUPE.

EPCOR Drainage

This area seems to move slower in responding to grievances and issues brought forward. Recently through negotiations we have had the Joint Union\Management meetings reinstated which we are hoping will speed up resolving issues brought forward to the Business Agent.

We have an unfair labour practice scheduled at the Labour Board over EPCOR removing three members from the union and placing them out of scope, this is due to be heard October 10-12.

In Solidarity,

EPCOR Bargaining Committee
